## DEPARTMENT OF CONSUMER AND REGULATORY AFFAIRS

## Department of Consumer and Regulatory Affairs Who We Are And What We Do

The Department of Consumer and Regulatory Affairs (DCRA) protects the health, safety, economic interests and quality of life of residents, businesses and visitors in the District of Columbia by ensuring code compliance and regulating business.

DCRA is responsible for regulating construction and business activity in the District of Columbia. The agency issues construction permits after reviews of construction documents to ensure compliance with building codes and zoning regulations. Construction activity, buildings, and rental housing establishments are inspected and housing code violations are abated, if necessary. To protect consumers, DCRA issues business and professional licenses, registers corporations, inspects weighing and measuring devices used for monetary profit, and issues special events permits.

## DCRA Customer Service

- Improving our customer service experience is a fundamental responsibility for all of our employees.
- In 2020, DCRA introduced a new customer relationship management system that was instrumental in our successfully fielding customer inquiries and moving them across the agency and on to resolution while maintaining a record of each inquiry.
- On average, each month DCRA fields over 19,000 emails, 16,000 phone calls and over 1,000 live chats, assisting customers in moving their projects or business matters forward.
- Whether you contact DCRA via [email](#), through our [online inquiry form](#) or during normal business hours using the live chat available on [dcra.dc.gov](https://dcra.dc.gov) or by phone at 202.442.4400, and we will get back to you in three business days or less.

## DCRA Service Level Agreements

- Customer inquiries responded to within 3 business days
- Permit application pre-screening completed within 2 business days
- Plan reviews completed within 30 business days (first round)
- Subsequent plan reviews completed within 15 business days
- Life-safety property maintenance inspections completed within 1 calendar day
- Non-life-safety property maintenance inspections completed within 15 business
- Vacant building initial inspections completed within 30 business days
- Online business license applications and renewals completed within 1 business day
- Consumer protection cases closed within 30 days
- Online corporate registrations processed within 1 business day for expedited service, or 3 business days if not expedited

### DCRA Ward-Based Account Managers

To serve District residents, businesses and stakeholders more efficiently and effectively, we instituted an Account Management program to provide each ward with a single, dedicated contact for escalated inquiries and community engagement. This will increase accountability, strengthen our customer service, and build better relationships with the community.

Account Managers are available to help our customers more easily interact with the agency – for those times when an issue requires extra assistance.

## DCRA Pre-Approved Plans

Jumpstart your building project by using a DCRA pre-approved plan. Choose from a selection of plans that are pre-approved by DCRA and connect with the design professional to purchase plans for use.

Pre-Approved Plans makes it easier to get building permits and shortens wait time by putting existing plans within easy reach.

### Choose a Plan

Choose a design from the library of pre-approved plans that fits your needs. Filter by type, square footage, and number of bedrooms. Click to view plan details, cost to license floor plan, and renderings.

### Contact the Design Professional

Connect with the licensed design professional to ensure that the plan is suitable for your property and to contract a license for use.

### Submit Plan to Permit Wizard

The DCRA Permit Wizard is a simpler, easy-to-use permit application that guides homeowners through the residential permitting process. [Learn more about the Permit Wizard](#) and what you need to submit a project application.

## DCRA Business Licensing Fee Reductions

Through September 30, 2022, DCRA will not be charging application and examination fees for occupational and professional licenses. All occupational and professional license and renewal fees are reduced to \$99 dollars (unless fees are lower already). DCRA is waiving the application fee of \$70 dollars and the endorsement fee of \$25 dollars for each application and renewal for General Business Licenses and Employment Services Licenses.

- Permanent reduction of business fees to \$99 includes formation filing fees, general business license fees, fees to start or renew an employment agency, employer paid personnel service or employment counseling businesses
- Two-year reduction of occupational and professional license fees to \$99

## DEPARTMENT OF PARKS AND RECREATION

## Fort Lincoln Campus Improvement Project

- 3201 Fort Lincoln Dr NE
- Ward 5
- Lot Size: 27 acres
- Zoning: RA-4
- Project Background: The new Fort Lincoln Recreation and Early Childhood Education Center will be constructed in the former location of the Thurgood Marshall Elementary School. DPR is currently working with Studios Architects to complete the design of the new facility.
- The new facility will include a gymnasium, flexible community spaces, fitness room, demonstration kitchen, racquetball courts, an elevated walking / running track, and an Early Childhood Education Center. DPR anticipates an RFP for a Construction Manager at Risk (CMAR) to be released this month.

Fort Lincoln Recreation Center

Conceptual Rendering (Studios Architecture)

## Douglass Recreation Center

- 1922 Frederick Douglass Court, SE
- Ward 8
- Lot Size: 5.2 acres
- Zoning: R2
- Project Background: The Douglass Recreation Center is a small 5,000 SF field house that was originally built in the 1960's. The pool house and pool sit directly east of the existing facility.
- DGS, on behalf of DPR, is working to put together an Architecture / Engineer solicitation for the design of a new recreation center that will replace the existing field and pool house, functioning as a community recreation center and aquatic facility supporting the outdoor pool. An RFP is scheduled to be released Spring 2022.

### Upshur Recreation Center

- 4300 Arkansas Avenue, NW
- Ward 4
- Lot Size: 6 acres
- Zoning: RF1
- Project Background: The Upshur Recreation Center is a small 6,000 SF facility that was originally built in the 1950's. The recreation center sits southwest of the aging pool house and outdoor pool.
- DGS, on behalf of DPR, is working to put together an Architecture / Engineer solicitation for the design of a new recreation center that will replace the existing field and pool house, functioning as a community recreation center and aquatic facility supporting the outdoor pool. An RFP is scheduled to be released Spring 2022.

## Small & Medium Business Growth Fund (SMB Fund)

- **Amount:** \$5.4 Million
- **Purpose:** Retain and expand District-based small businesses by supporting large scale capital improvements, large equipment purchasing, and technological enhancements in the industrial, retail, professional services, and commercial business industries.
- **Grant Award Amount:** \$25K - \$100K
- **Applications opens:** Friday, April 22, 2022

## Small & Medium Business Growth Fund (SMB Fund)

### Eligible applicants include the following:

- Independently owned, have no more than 100 employees at the time of application submission, and generate less than \$15 million in revenue
- Technology-based businesses, professional services, industrial, and retail
- E-commerce business (must provide a business plan outlining framework for incorporating a brick-and-mortar space within 24 months).
- Small businesses within incubator/accelerator programs; businesses applying under an incubator/accelerator program must show proof of completion

Grant award amount range- \$25K- \$100K

### Special Event Relief Fund

**Amount:** \$3 Million

**Purpose:** Allows organizers of festivals and special events to apply for financial assistance to help cover expenses incurred by the event.

**Eligible Expenses:** (1) Fees and services from the following DC Government agencies: ABRA, DCRA, DOH, DPW, DDOT, FEMS, MPD, DPR. (2) Non-DC-Government agency expenses including space rental, staging, tenting, audio/visual, lighting, on-site staffing, marketing, event planning services, speakers/entertainment, equipment rentals, event design, security, internet, electricity

The event must occur between October 1, 2021 – September 30, 2022.

Event must have at least a component that is free and open to the public.

Event must celebrate the culture of DC or be able to demonstrate that the event will have a significant economic impact on the District.

The main purpose of the event should not be to generate revenue or serve as a fundraiser for an organization.

The event must be committed to fostering an inclusive experience.

The event cannot be religiously affiliated in a way that excludes other faiths or forms of belief, or lack thereof.

The applicant must be the event organizer.

*H Street Festival*

#### APPLICATIONS

- Reviewed on a rolling basis
- Based on the availability of funds.
- Must be submitted at least 45 days in advance of the event

# DR. UNIQUE MORRIS-HUGHES

## DEPARTMENT OF EMPLOYMENT SERVICES

## Division of State Initiatives

- Release of Job Readiness Training RFA to provide grants to community organizations totaling up to **\$10 Million Dollars**—with the goal of serving 2,000 residents preparing to successfully enter the workforce.
- Award of Jobs First grants totaling **\$500,000** to community-based organizations tasked with placing 150 residents in gainful work activity.
- Facilitated Job Readiness Training for Building Blocks DC participants, yielding 71 13-month term positions at DPW.
- Continued entrepreneurial training for returning citizens through the Georgetown PIVOT partnership. Since its inception, 54 residents have benefited from exposure to business-related studies, entrepreneurial instruction and internships across industry sectors.
- Increased the participant training wage from \$11.00 per hour to \$12.50 per hour and extended the work experience period from 6 months up to 12. These enhancements provide increased time for on-the-job training and offer greater financial support for participants.

## Labor Standards Bureau

- DOES developed a Common Laborer Initiative in partnership with internal programs.
- The Office of Wage-Hour (OWH) presented a creative approach to construction contractors to build a pipeline of District residents in the common laborer classification to assist First Source contractors with meeting their First Source statutory hiring requirements.

## DC Infrastructure Academy(DCIA) / Office of Talent and Client Services (OTCS)

- OTCS will hire a new On-the-Job (OJT) Coordinator to support OJT employers in ensuring they facilitate best hiring practices.
- The increase of **\$5.2 million** in Federal American Recovery Plan Act funds for FY22 will allow DCIA to hire additional staff to provide support and management of expanded DCIA programs, which will allow us to serve 200 more residents than normal.

## Office of Apprenticeship/Federal Workforce Programs

- The Office of Apprenticeship Information and Training (OAIT) has launched the apprenticeship portal ([apprenticeship.does.dc.gov](http://apprenticeship.does.dc.gov)) during Q4 FY21 to ensure apprenticeship programming and information remains accessible and available to improve expansion efforts across all industries and for all DC residents.
- As part of the Career Pathways Act 2018, DC law 22-211 OAIT and DC Department of Human Resources (DCHR) have successfully worked together in expanding non-traditional programs with five (5) District government agencies.
- OAIT continues to partners with DCHR to expand government registered apprenticeship programs. Additionally, working with all registered DC government agencies to employ 38 new DC apprentices in FY22 including successful completers of DOES sponsored youth apprenticeship programs.
- Formalized the District's Youth Apprenticeship Program by launching a new School-to-Apprenticeship initiative which will train and employ 30 high school apprentices in the electrical trade with a training wage of \$15.00 per hour.
- Release of Out-of-School Apprenticeship Training Program RFA to provide grants to community organizations, registered sponsors with the goal of serving 80 residents preparing to successfully enter the workforce and Registered Apprenticeship Programs (RAPS).
- Release of an Apprenticeship OJT Initiative to provide reimbursements to sponsors who hire and expand apprenticeship program offerings to DC residents — with the goal of supporting 165 newly registered apprentices and residents preparing to successfully enter RAPS.

## Office of Unemployment Compensation

- Awarded an Unemployment Insurance Equity Grant of **\$2.2 million** from the U.S. Department of Labor. The grant will be utilized for activities that promote equitable access to the Unemployment Compensation Program.

## **\$1M Grant to Train DC Residents**

At Google, we recognize that traditional educational pathways are not the only means to build a meaningful and financially - sustaining career.

That's even more true for learners who have been and continue to be underrepresented in the tech workforce.

## \$1M Grant to Train DC Residents

### Purpose

\$1 million Google.org grant will support the expansion of ***Community College Prep Academy's (CC Prep)*** IT Pathways program to offer **250 scholarships** for learners to complete a Google Career Certificate with wraparound support.

### Outcome

To equip people with job-ready skills in high-growing fields within 3-6 months with no degree or experience required.

*The Google Career Certificate is a part of Grow with Google an initiative to create economic opportunity for all Americans through digital tools and training programs.*
