The District has hired BBC-Pantera-Tiber to conduct a disparity study to assess whether any barriers exist for minority and woman-owned businesses that make it more difficult for them to compete for District contracts and procurements. The disparity study will:

- Measure participation of minority and woman-owned businesses in District contracting
- Estimate availability of minority and woman-owned businesses for District contracting
- Assess marketplace conditions for minority and woman-owned businesses

**CALLING ALL BUSINESS OWNERS AND INTERESTED PARTIES**

The District disparity study kicked off in May 2021. Please join the disparity study team to learn about current study progress and next steps as well as how you can continue to participate!

**ATTEND A WEBINAR TO:**
- Learn about current study progress and next steps
- Ask questions about the study
- Share testimony about your experiences
