## WHAT IS A DISPARITY STUDY? <https://dmped.dc.gov/page/district-columbia-disparity-study>

The District hired **BBC-Pantera-Tiber** to conduct a **disparity study** to assess whether any barriers exist for minority and woman-owned businesses that make it more difficult for them to compete for District contracts and procurements. The results examined:

- Assessment of marketplace conditions for minority- and woman-owned businesses
- Participation of minority- and woman-owned businesses in District contracting
- Estimate of availability of minority- and woman-owned businesses for District contracting
