Washington, DC has many faces. It is the home to the U.S. government while being remarkably international with approximately 180 resident embassies and respected global economic and policy organizations.

Directly investing into Washington, DC, creates the opportunity for strong firms to bring new and innovative practices to the city and region, which is ripe with federal contracting opportunities. In 2014, $19.2 billion worth of contractor work was performed in Washington, DC – an 11% increase from 2013.1

Washington, DC, is a thriving marketplace for ideas, innovation, and invention. Among U.S. metropolitan areas, the region has the highest percentage of college graduates.2 More than 100 academic institutions operate programs and degrees in this region, which attract, educate, and help retain exceptional talent.

Washington, DC, is the 2nd most active U.S. office market for foreign capital.3

The Washington, DC region is home to 400 international associations and 1,000 internationally owned companies. Fifteen of the Fortune 500 companies call this region home, and they represent a variety of industries from international hospitality with Hilton Worldwide and Marriott to finance with Capitol One and Fannie Mae. The region is home to engineering and defense giants with General Dynamics, Lockheed Martin, and the Computer Sciences Corporation, as well as technology firms like The Advisory Board, CoStar and Blackboard.

Washington, DC, is a hub for thought leadership and global policy makers. Organizations such as the World Bank, the International Monetary Fund, the Organization of American States, the Inter-American Development Bank, and the Carnegie Endowment for International Peace consider Washington, DC, as a focal point for critical international conversations about the world economy, global politics, the environment, and peace.

The Washington, DC metro area is the strongest economy in the United States.4

Since 2003, a total of 137 FDI projects have been announced in Washington, DC and, if completed at their announced levels, represent over $3.36 billion in capital investment.6

EB-5 Immigrant Investor Program
Under this program, entrepreneurs (and their spouses and unmarried children under 21) are eligible to apply for a green card (permanent residence) if they meet certain investment requirements. The U.S. Citizenship and Immigration Services administers the EB-5 Program, created by Congress in 1990 to stimulate the U.S. economy through job creation and capital investment by foreign investors. DC real estate projects such as The Wharf, Skyland Town Center, CityMarket at O and the Marriott Marquis convention center hotel have received EB-5 funds.
