SECTION C: SPECIFICATIONS/WORK STATEMENT

C.1 SCOPE OF WORK:

The Government of the District of Columbia, Office of the Deputy Mayor for Planning and Economic Development (“DMPED” or “District”) has a minimum need for a contractor to provide crowdfunding campaign management services for a pilot project.

C.2 DEFINITIONS

“Crowdfunding” – the practice of funding a project or venture by raising many small amounts of money from a large number of people, typically via the Internet.

C.3 BACKGROUND

The Office of the Deputy Mayor for Planning and Economic Development (DMPED), in conjunction with other District agencies such as the Department of Insurance, Securities, and Banking, is implementing “Vision One” of the Five-Year Economic Development Strategy to become the most business-friendly economy in the nation by increasing access to capital for small businesses. Crowdfunding, which involves virtual fundraising through small contributions from multiple donors, is a new financing mechanism that may be of interest to small businesses. To test the crowdfunding market in the District, DMPED is launching a pilot project that will include crowdfunding campaigns for six (6) existing Great Streets small business grantees. The services requested are cradle-to-grave management of crowdfunding campaigns, including developing criteria for choosing businesses that are ready for a campaign, one-on-one coaching of each business through the entire campaign process (i.e. choosing a project, setting funding goals, developing the gift structure, establishing the campaign timeline, planning and shooting the campaign video, managing gift delivery, etc.), and providing a comprehensive report documenting the campaign, including lessons learned and a proposal for offering self-sustaining services in the future.

C.4 REQUIREMENTS

C.4.1 The Contractor shall develop a virtual application for Great Streets small business grantees to apply to participate in the crowdfunding pilot project.

C.4.2 The Contractor shall contact each grantee to inform them about the project and direct them to the application.

C.4.3 The Contractor shall review all applications and recommend, to DMPED, six (6) grantees to participate in the pilot project.

C.4.4 The Contractor shall, upon approval from DMPED, contact the selected grantees to inform them of their selection to participate in the program and schedule introductory meetings with each grantee to onboard them.

C.4.5 For each selected grantee:

C.4.5.1 The Contractor shall host an introductory meeting to become more familiar with the grantee's business.

C.4.5.2 The Contractor shall identify three potential projects for the business that can be funded through a crowdfunding campaign.

C.4.5.3 The Contractor shall work with the grantee to identify the target project for the campaign.

C.4.5.4 The Contractor shall work with the grantee to set the campaign fundraising goal.

C.4.5.5 The Contractor shall create and document the campaign strategy, including allowable contribution increments, target audience, advertising strategy via e-mail and social media, and a gift structure for contributors, including thresholds to receive gifts and execution plan for gift delivery; submit to DMPED for approval.

C.4.5.6 The Contractor shall create and document a work plan to execute the crowdfunding campaign, including timelines; submit to DMPED for approval.

C.4.5.7 The Contractor shall, upon approval from DMPED of the campaign strategy and work plan, create the campaign web page.

C.4.5.8 The Contractor shall advise the grantee on the design, recording, and editing of the campaign video.

C.4.5.9 The Contractor shall initiate the crowdfunding campaign on the Internet and notify DMPED when the campaign goes live.

C.4.5.10 The Contractor shall provide weekly reports to the grantee and DMPED on campaign progress.

C.4.5.11 The Contractor shall manage campaign gift delivery.

C.4.5.12 The Contractor shall adjust the timeline and fundraising goal of the campaign as needed to maximize fundraising potential based on weekly progress.

C.4.5.13 The Contractor shall close the campaign and provide a final fundraising report to the grantee and DMPED.

C.4.5.14 The Contractor shall ensure successful transfer of raised funds to grantee.

C.4.6 The Contractor shall develop a summary report detailing all six (6) campaigns that includes all of the following:

C.4.6.1 Background on each grantee's business

C.4.6.3 Description of each campaign strategy

- I.5.4** The term "computer databases", as used herein, means a collection of data in a form capable of being processed and operated on by a computer.
- I.5.5** All data first produced in the performance of this Contract shall be the sole property of the District. The Contractor hereby acknowledges that all data, including, without limitation, computer program codes, produced by Contractor for the District under this Contract, are works made for hire and are the sole property of the District; but, to the extent any such data may not, by operation of law, be works made for hire, Contractor hereby transfers and assigns to the District the ownership of copyright in such works, whether published or unpublished. - I.5.6** The District will have restricted rights in data, including computer software and all accompanying documentation, manuals and instructional materials, listed or described in a license or agreement made a part of this contract, which the parties have agreed will be furnished with restricted rights, provided however, notwithstanding any contrary provision in any such license or agreement, such restricted rights shall include, as a minimum the right to:
