Sec. 5076. Medicaid outpatient hospital access payments.

(a) For visits and services beginning May 1, 2013, quarterly Medicaid outpatient hospital access payments shall be made to each private hospital. Each payment will be equal to the hospital's DFY 2011 outpatient Medicaid payments divided by the total private hospital DFY 2011 outpatient Medicaid payments multiplied by one quarter of the total outpatient private hospital access payment pool minus \$250,000. The total outpatient private hospital access payment pool is equal to the total available spending room under the private hospital outpatient Medicaid upper payment limit for DFY 2013 and 2014, respectively.

(b) The remaining \$250,000 shall be distributed as an adjustment to the quarterly access payments for all private children's hospitals with less than 150 beds and distributed based on the hospital's DFY 2011 outpatient Medicaid payments relative to the total qualifying hospitals' DFY 2011 outpatient Medicaid payments.

(c) Any private hospital that is also a Disproportionate Share Hospital ("DSH") will receive no more than the available room under their District-adjusted, hospital-specific DSH limit. Any Medicaid outpatient hospital access payments that would otherwise exceed a private disproportionate share hospital's adjusted DSH limit shall be distributed to the remaining private hospitals consistent with each private hospital's relative share of DFY 2011 Medicaid payments.

(d) For visits and services beginning May 1, 2013, outpatient hospital access payments shall be made to the United Medical Center. Each payment will be equal to one quarter of the total outpatient public hospital access payment pool. The total outpatient public hospital access payment pool is equal to the lesser of the total available spending room under the District-operated hospital outpatient Medicaid upper payment limit for DFY 2013 and 2014, respectively, and the United Medical Center District-adjusted Medicaid DSH limit.

(e) The quarterly Medicaid outpatient hospital access payments shall be made within 15 business days of the end of each DFY quarter for the Medicaid visits and services rendered during that quarter.

(f) No payments shall be made under this section until such time that the federal Centers for Medicare and Medicaid Services approves the Medicaid State Plan amendment authorizing the Medicaid payments described in this subtitle.

(b) The fee imposed under section 5074 shall be calculated, due, and payable on a quarterly basis, but shall not be due and payable until:

(1) The District issues the written notice that the payment methodologies to hospitals required under section 5076 have been approved by the federal Centers for Medicare and Medicaid Services;

(2) The District issues written notice to each hospital informing the hospital of its fee rate, gross patient revenue subject to the fee, and the fee amount owed on a quarterly basis; and

(3) The initial written notice from the District shall include all fee amounts owed beginning with the period May 1, 2013, to ensure all applicable fee obligations have been identified.

(c) When a hospital fails to pay the full amount of its fee by the date required, the unpaid balance shall accrue interest at the rate of 1.5% per month or any fraction thereof, which shall be added to the unpaid balance. The Chief Financial Officer may arrange a payment plan for the amount of the fee and interest in arrears.

(d) The payment by the hospital of the fee created in this subtitle shall be reported as an allowable cost for purposes of Medicaid hospital reimbursement.

Sec. 5078. Multi-hospital systems, closure, merger, and new hospitals.

(a) If a hospital system conducts, operates, or maintains more than one hospital licensed by the Department of Health, the provider shall pay the fee for each hospital separately.

(b) Notwithstanding any other provision in this subtitle, in the case of a person who ceases to conduct, operate, or maintain a hospital for which the person is subject to the fee under this subtitle as a hospital provider, the fee for the DFY in which the cessation occurs shall be adjusted by multiplying the fee computed under section 5074 by a fraction, the numerator of which is the number of days in the year during which the provider conducts, operates, or maintains the hospital and the denominator of which is 365. Immediately upon ceasing to conduct, operate, or maintain a hospital, the person shall pay the fee for the year as so adjusted (to the extent not previously paid).

(c) Notwithstanding any other provision in this subtitle, a provider who conducts, operates, or maintains a hospital, upon notice by the Department, shall pay the fee computed under section 5074 and subsection (a) of this section in installments on the due dates stated in the notice and on the regular installment due dates for the DFY occurring after the due dates of the initial notice.

"(C) Income from a business conducted wholly by the taxpayer member entirely within the District;

"(D) Income sourced to the District from the sale or exchange of capital or assets, and from involuntary conversions, as determined under § 47-1810.05(b)(8);

"(E) Nonbusiness income or loss allocable to the District as determined under the provisions for allocation of nonbusiness income set forth in this chapter;

"(F) Income or loss allocated or apportioned in an earlier year required to be taken into account as District source income during the income year, other than a net operating loss; and

"(G) Net operating loss carryover.

"(2) If the taxable income computed pursuant to this section and § 47-1810.05 results in a loss for a taxpayer member of the combined group, that taxpayer member has a District net operating loss, subject to the net operating loss limitations and carryover provisions of this chapter. The District net operating loss shall be applied as a deduction in the subsequent year only if that taxpayer has District source positive net income, whether or not the taxpayer is a member of a combined reporting group in the subsequent year.

"(3) Except where otherwise provided, no tax credit or post-apportionment deduction earned by one member of the group, but not fully used by or allowed to that member, may be used, in whole or in part, by another member of the group or applied, in whole or in part, against the total income of the combined group. A post-apportionment deduction carried over into a subsequent year as to the member that incurred it, and available as a deduction to that member in a subsequent year, will be considered in the computation of the income of that member in the subsequent year regardless of the composition of that income as apportioned, allocated, or wholly within the District.

"(c) The taxpayer's share of the business income apportionable to the District of each combined group of which it is a member shall be the product of the:

"(1) Business income of the combined group, determined under § 47-1810.05; and

"(2) Taxpayer member's apportionment percentage, determined in accordance with this chapter, including in the property, payroll, and sales factor numerators of the taxpayer's property, payroll, and sales, respectively, associated with the combined group's unitary business in the District and including in the denominator the property, payroll, and sales of all members of the combined group, including the taxpayer, which property, payroll, and sales are associated with the combined group's unitary business wherever located.

"§ 47-1810.05. Determination of the business income of the combined group.

"(a) The business income of a combined group is determined as follows:

"(1) From the total income of the combined group as determined under paragraph (2) of this subsection and subsection (b) of this section, subtract any income and add any expense or loss, other than the business income, expense, or loss of the combined group.

"(2) Except as otherwise provided, the total income of the combined group is the sum of the income of each member of the combined group determined under federal income tax laws, as adjusted for District purposes, as if the member were not consolidated for federal purposes.

"(3) In the case of any person entitled to the distributive share of a trade or business net income, the Chief Financial Officer shall adopt regulations as necessary to determine the methodology of including the distributive share but provide an exclusion for the portion of the distributive share that is reported by and taxed against any person under the provisions of this chapter to prevent double taxation or double deduction.

"(b) The income of each member of the combined group shall be determined as follows:

"(1) For any member incorporated in the United States, or included in a consolidated federal corporate income tax return, the income to be included in the total income of the combined group shall be the taxable income for the corporation after making appropriate adjustments under this chapter.

"(2) For any member not included in paragraph (1) of this subsection, the income to be included in the total income of the combined group shall be determined as follows:

"(A) A profit and loss statement shall be prepared for each foreign branch or corporation in the currency in which the books of account of the branch or corporation are regularly maintained.

"(B) Adjustments shall be made to the profit and loss statement to conform it to the accounting principles generally accepted in the United States for the preparation of such statements, except as modified by regulation.

"(C) Adjustments shall be made to the profit and loss statement to conform it to the tax accounting standards required by this chapter.

"(D) Except as otherwise provided by regulation, the profit and loss statement of each member of the combined group, and the apportionment factors related thereto, whether United States or foreign, shall be translated into the currency in which the parent company maintains its books and records.

"(E) Income apportioned to the District shall be expressed in United States dollars.

"(3)(A) In lieu of the procedures set forth in paragraph (2) of this subsection, and subject to the determination of the Chief Financial Officer that it reasonably approximates income as determined under this chapter, any member not subject to paragraph (1) of this subsection may determine its income on the basis of the consolidated profit and loss statement that includes the member and that is prepared for filing with the Securities and Exchange Commission by related corporations.

"(B) If the member is not required to file with the Securities and Exchange Commission, the Chief Financial Officer may allow the use of the consolidated profit and loss statement prepared for reporting to shareholders and subject to review by an independent auditor.

"(C) If the statements described in subparagraphs (A) or (B) of this paragraph do not reasonably approximate income as determined under this chapter, the Chief Financial Officer may accept those statements with appropriate adjustments to approximate that income.

"(4)(A) All dividends paid by one to another of the members of the combined group shall, to the extent those dividends are paid out of the earnings and profits of the unitary business included in the combined report, in the current or an earlier year, be eliminated from the income of the recipient.

"(B) Except as otherwise provided, this paragraph shall not apply to dividends received from members of the unitary business that are not a part of the combined group. Except when specifically required by the Chief Financial Officer to be included, all dividends paid by an insurance company directly or indirectly to a corporation that is part of a unitary business with the insurance company shall be deducted or eliminated from the income of the recipient of the dividend.

"(5)(A) Except as otherwise provided by regulation, business income from an inter-company transaction between members of the same combined group shall be deferred in a manner similar to 26 CFR § 1.1502-13.

"(B) Upon the occurrence of any of the following events, deferred business income resulting from an inter-company transaction between members of a combined group shall be restored to the income of the seller and shall be apportioned as business income earned immediately before the event:

"(i) The object of a deferred inter-company transaction is:

"(I) Resold by the buyer to an entity that is not a member of the combined group;

"(II) Resold by the buyer to an entity that is a member of the combined group for use outside the unitary business in which the buyer and seller are engaged; or

"(III) Converted by the buyer to a use outside the unitary business in which the buyer and seller are engaged; or

"(ii) The buyer and seller are no longer members of the same combined group, regardless of whether the members remain unitary.

"(6)(A) A charitable expense incurred by a member of a combined group shall, to the extent allowable as a deduction pursuant to section 170 of the Internal Revenue Code of 1986, be subtracted first from the business income of the combined group, subject to the income limitations of that section applied to the entire business income of the group, and any remaining amount shall then be treated as a nonbusiness expense allocable to the member that incurred the expense, subject to the income limitations of that section applied to the nonbusiness income of that specific member.

"(B) Any charitable deduction disallowed under subparagraph (A) of this paragraph, but allowed as a carryover deduction in a subsequent year, shall be treated as originally incurred in the subsequent year by the same member, and the rules set forth in this section shall apply in the subsequent year in determining the allowable deduction in that year.

"(7) Gain or loss from the sale or exchange of capital assets, property described by section 1231(a)(3) of the Internal Revenue Code of 1986, and property subject to an involuntary conversion shall be removed from the total separate net income of each member of a combined group and shall be apportioned and allocated as follows:

"(A) For each class of gain or loss (short-term capital, long-term capital, section 1231 of the Internal Revenue Code of 1986, and involuntary conversions) all members' business gain and loss for the class shall be combined without netting between classes and each class of net business gain or loss separately apportioned to each member using the member's apportionment percentage determined under § 47-1810.04.

"(B) Each taxpayer member shall then net its apportioned business gain or loss for all classes, including any such apportioned business gain and loss from other combined groups, against the taxpayer member's nonbusiness gain and loss for all classes allocated to the District, using the rules of sections 1222 and 1231 of the Internal Revenue Code of 1986, without regard to any of the taxpayer member's gains or losses from the sale or exchange of capital assets, section 1231 of the Internal Revenue Code of 1986 property, and involuntary conversions that are nonbusiness items allocated to another state.

"(C) Any resulting District source income or loss, if the loss is not subject to the limitations of section 1211 of the Internal Revenue Code of 1986, of a taxpayer member produced by the application of the preceding subparagraphs shall then be applied to all other District source income or loss of that member.

"(D) Any resulting District source loss of a member that is subject to the limitations of section 1211 of the Internal Revenue Code of 1986 shall be carried over by that member and shall be treated as District source short-term capital loss incurred by that member for the year for which the carryover applies.

"(8) Any expense of one member of the unitary group that is directly or indirectly attributable to the nonbusiness or exempt income of another member of the unitary group shall be allocated to that other member as a corresponding nonbusiness or exempt expense, as appropriate.

"§ 47-1810.06. Designation of agent.

"As a filing convenience, and without changing the respective liability of group members, members of a combined reporting group shall designate one taxpayer member of the combined group to file a single return, in the form and manner prescribed by the Chief Financial Officer, in lieu of filing their own respective returns; provided, that the taxpayer designated to file the single return consents to act as surety with respect to the tax liability of all other taxpayers properly included in the combined report and agrees to act as agent on behalf of those taxpayers for tax matters relating to the combined report. If for any reason the agent is unwilling or unable to perform its responsibilities, tax liability may be assessed against the taxpayer members.

"§ 47-1810.07. Water's-edge reporting; initiation and withdrawal election.

"(a)(1) Absent an election under subsection (b) of this section to report based upon a worldwide unitary combined reporting basis, taxpayer members of a unitary group shall determine each of their apportioned shares of the net business income or loss of the combined group on a water's-edge unitary combined reporting basis.

"(2) In determining tax under this chapter on a water's-edge unitary combined reporting basis, taxpayer members shall take into account all or a portion of the income and apportionment factors of only the following members otherwise included in the combined group pursuant to § 47-1805.02a:

"(A) The entire income and apportionment factors of any member incorporated in the United States or formed under the laws of any state, the District, or any territory or possession of the United States;

"(B) The entire income and apportionment factors of any member, regardless of the place incorporated or formed, if the average of its property, payroll, and sales factors within the United States is 20% or more;

"(C) The entire income and apportionment factors of any member that is a domestic international sales corporation, as described in sections 991 through 994 of the Internal Revenue Code of 1986, inclusive, a foreign sales corporation, as described in sections 921 through 927 of the Internal Revenue Code of 1986, inclusive, or any member that is an export trade corporation, as described in sections 970 through 971 of the Internal Revenue Code of 1986, inclusive;

"(D) Any member not described in subparagraphs (A), (B), or (C) of this paragraph shall include its business income that is effectively connected, or treated as effectively

connected under the provisions of the Internal Revenue Code of 1986 with the conduct of a trade or business within the United States and, for that reason, subject to federal income tax;

"(E) Any member that is a resident of a country that does not have a comprehensive income tax treaty with the United States and earns more than 20% of its income, directly or indirectly, from intangible property or service-related activities that are deductible against the business income of other members of the water's-edge group, to the extent of that income and the apportionment factors related thereto; and

"(F)(i) The entire income and apportionment factors of any member that is doing business in a tax haven defined as being engaged in activity sufficient for that tax haven jurisdiction to impose a tax under United States constitutional standards.

"(ii) If the member's business activity within a tax haven is entirely outside the scope of the laws, provisions, and practices that cause the jurisdiction to meet the criteria of a tax haven, as that term is defined in § 47-1801.04(49), the activity of the member shall be treated as not having been conducted in a tax haven.

"(b) An election to report District tax based on worldwide unitary combined reporting is effective only if made on a timely filed original return for a tax year by every member of the unitary business subject to tax under this chapter.

"(c) At the discretion of the Chief Financial Officer:

"(1) A worldwide unitary combined reporting election may be disregarded, in part or in whole, and the income and apportionment factors of any member of the taxpayer's unitary group may be included in or excluded from the combined report without regard to the provisions of this section, if any member of the unitary group fails to comply with any provision of this chapter; and

"(2) Worldwide unitary combined reporting may be mandated, in part or in whole, and the income and apportionment factors of any member of the taxpayer's unitary group may be included in or excluded from the combined report without regard to the provisions of this section, if any member of the unitary group fails to comply with any provision of this chapter, or if a person otherwise not included in the water's-edge combined group was availed of with a substantial objective of avoiding District income tax.

"(d)(1) A worldwide unitary combined reporting election is binding for and applicable to the tax year it is made and all tax years thereafter for a period of 10 years. It may be withdrawn or reinstated after withdrawal, before the expiration of the 10-year period, only upon written request for reasonable cause based on extraordinary hardship due to unforeseen changes in District tax statutes, law, or policy, and only with the written authorization of the Chief Financial Officer.

"(2) An election shall constitute consent to the reasonable production of documents and taking of depositions in accordance with District law.

"(3) If the Chief Financial Officer grants a withdrawal of election pursuant to paragraph (1) of this subsection, the Chief Financial Officer shall impose reasonable conditions necessary to prevent the evasion of tax or to clearly reflect income for the election period before or after the withdrawal.

"(4) Upon the expiration of the 10-year period, a taxpayer may withdraw from the worldwide unitary combined reporting election. Withdrawal must be made in writing within one year of the expiration of the election and is binding for a period of 10 years, subject to the same conditions as applied to the original election.

"(e) The Chief Financial Officer shall develop rules governing the impact, if any, on the scope or application of a worldwide unitary combined reporting election, including termination or deemed election, resulting from a change in the composition of the unitary group, the combined group, the taxpayer members, and any other similar change.

"§ 47-1810.08. Accounting rules; future deductions.

"(a) If the enactment of combined reporting requirements for unitary businesses results in an increase to a combined group's net deferred tax liability, the combined group shall be entitled to a deduction to the extent determined under subsection (b) of this section. Only publicly traded companies, including affiliated corporations participating in the filing of a publicly traded company's financial statements prepared in accordance with generally accepted accounting principles, as of September 14, 2011, shall be eligible for this deduction. To the extent the deduction would produce a net operating loss in any tax year, the unused deduction may be carried forward to each succeeding tax year by the combined group.

"(b) For the 7-year period beginning with the 5th year of the combined filing, a combined group shall be entitled to a deduction equal to 1/7th of the net increase in the taxable temporary differences that caused the increase in the net deferred tax liability, as computed at the time of enactment in accordance with generally accepted accounting principles, that would result from the imposition of the combined reporting requirements but for the deduction provided under this section. The amount of the deduction shall in no case exceed the amount necessary to offset any increase in net deferred tax liability, as computed in accordance with generally accepted accounting principles, that would result from the imposition of all of the provisions of combined reporting but for the deduction provided under this section.

"(c) For the purposes of this section, the term "net deferred tax liability" shall mean the net increase, if any, in deferred tax liabilities minus the net increase, if any, in deferred tax assets of the combined group, as computed in accordance with generally accepted accounting principles."

The Commission may enter into agreements with party states or their subdivisions for assistance in performance of the audit. The Commission shall make charges, to be paid by the state or local government or governments for which it performs the service, for any audits performed by it in order to reimburse itself for the actual costs incurred in making the audit.

“3. The Commission may require the attendance of any person within the state where it is conducting an audit or part thereof at a time and place fixed by it within such state for the purpose of giving testimony with respect to any account, book, paper, documents, other record, property or stock of merchandise being examined in connection with the audit. If the person is not within the jurisdiction, he may be required to attend for such purpose at any time and place

fixed by the Commission within the state of which he is a resident; provided, that such state has adopted this article.

“4. The Commission may apply through the Mayor of the District of Columbia, to any court in the District of Columbia having power to issue compulsory process for orders in aid of its powers and responsibilities pursuant to this article, if the party or subject matter on account of which the Commission seeks an order is within the jurisdiction of the courts of the District of Columbia. The Commission may apply for such order to the courts of the state or subdivision thereof, other than the District of Columbia, on behalf of which the audit is being made, or in which the party or subject matter being sought is situated, to the extent that the Commission is authorized to do so by the laws of such other state. Failure of any person to obey any such order shall be punishable as contempt of the issuing court.

“5. The Commission may decline to perform any audit requested if it finds that its available personnel or other resources are insufficient for the purpose or that, in the terms requested, the audit is impracticable of satisfactory performance. If the Commission, on the basis of its experience, has reason to believe that an audit of a particular taxpayer, either at a particular time or on a particular schedule, would be of interest to a number of party states or their subdivisions, it may offer to make the audit or audits, the offer to be contingent on sufficient participation therein as determined by the Commission.

“6. Information obtained by an audit pursuant to this article shall be confidential and available only for tax purposes to party states, their subdivisions, or the United States. Availability of information shall be in accordance with the laws of the states or subdivisions on whose account the Commission performs the audit, and only through the appropriate agencies or officers of such states or subdivisions. Nothing in this article shall be construed to require any taxpayer to keep records for any period not otherwise required by law.

“7. Other arrangements made or authorized pursuant to law for cooperative audit by or on behalf of the party states or any of their subdivisions are not superseded or invalidated by this article.

“8. In no event shall the Commission make any charge against a taxpayer for an audit.

“9. As used in this article, “tax”, in addition to the meaning ascribed to it in Article II, means any tax or license fee imposed in whole or in part for revenue purposes.

“Article IX. Entry into Force and Withdrawal.

“1. This compact shall enter into force when enacted by any seven states. Thereafter, this compact shall become effective as to any other state upon its enactment thereof. The Commission shall arrange for notification of all party states whenever there is a new enactment of the compact.

“2. Any party state may withdraw from this compact by enacting a statute repealing the same. No withdrawal shall affect any liability already incurred by or chargeable to a party state prior to the time of such withdrawal.

“Article X. Effect on Other Laws and Jurisdiction.

“Nothing in this compact shall be construed to:

“(a) Affect the power of any state or subdivision thereof to fix rates of taxation.

“(b) Apply to any tax or fixed fee imposed for the registration of a motor vehicle or any tax on motor fuel, other than a sales tax; provided that the definition of “tax” in Article VIII 9. may apply for the purposes of that article and the Commission's powers of study and recommendation pursuant to Article VI 3. may apply.

“(c) Withdraw or limit the jurisdiction of any state or local court or administrative officer or body with respect to any person, corporation, or other entity or subject matter, except to the extent that such jurisdiction is expressly conferred by or pursuant to this compact upon another agency or body.

“Article XI. Construction and Severability.

“This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence, or provision of this compact is declared to be contrary to the constitution of any state or of the United States or the applicability thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby if this compact shall be held contrary to the constitution of any state participating therein, the compact shall remain in full force and effect as to the remaining party states and in full force and effect as to the state affected as to all severable matters.”.
