

OUR RFP

2nd PUBLIC WORKSHOP

at DC SCHOLARS 5601 EAST CAPITOL, SE
April 6th, 11:00am - 1:00pm

★ You can help shape the redevelopment of FLETCHER-JOHNSON ★

The Deputy Mayor for Planning and Economic Development (DMPED) invites you to the OURRFP Public Workshop for an interactive discussion of community goals for redeveloping the District-owned Fletcher-Johnson site, located on Benning Road SE in the Marshall Heights neighborhood. The District will provide a thorough analysis of the Fletcher-Johnson site, neighborhood, and market context. DMPED will actively solicit feedback on how to shape the future development of this site from the public in the form of a facilitated break-out group session. Your feedback will be combined with citywide objectives to inform the RFP process and to better guide the development community in submitting proposals that are aligned with the public's priorities. For more information contact DMPED at FletcherJohnson@dc.gov or 202-727-6365. **Planning to attend? Learn more about the project at dmped.dc.gov/OurRFP_FletcherJohnson.**
