

## **Parking Deck at 2<sup>nd</sup> & K St NW Request for Proposals (RFP)**

### Supplement to RFP

Date: September 12, 2016

DMPED has completed an engineering analysis of the parking deck underlying Air Rights Lot 7000. The analysis consists of three reports which are posted on the project page at <http://dmped.dc.gov/page/parking-deck-2nd-k-streets-nw>.

The information in this update to the RFP is provided as additional background information. District does not warrant or represent the information provided and requires Development Teams to rely on their own information and engineers. District shall not be liable for the reliance by Development Teams on the additional background information or for any damages, costs, or other liabilities, incurred by Development Teams or any third parties in connection with the additional background information update provided. Additionally, during the selection process teams may be asked to provide additional engineering and cost evidence to support their proposed scenarios.
