Grant Identification No.: DMPED – FY22 GSRET

The Office of the Deputy Mayor for Planning and Economic Development (“**DMPED**”) is soliciting grant applications from qualified small business owners who wish to improve their place of business. The purpose of the Great Streets Retail Small Business Grant (the “**Grant**”) is to support existing small businesses, attract new businesses, increase the District’s tax base, create new job opportunities for District residents, and transform designated emerging commercial corridors into thriving and inviting neighborhood centers.

The Grant identified the following program funding priorities.

1. The Grant encourages existing and new neighborhood-based retail-oriented businesses which seek access to capital to improve their place of business, re-imagining their service approach by expanding services, and/or to fill a need in an underserved retail priority area.
2. The Great Streets program grows the District’s local small business economy and bolster neighborhoods with inadequate access to retail opportunities. DMPED seeks to invest in 13 retail priority areas, “Great Streets Corridors,” with the goal of creating livable, walkable, shoppable, community-serving retail experiences across all eight wards.
3. DMPED seeks to invest in small businesses which:
 - a. Activate or stabilize the commercial corridor through its physical presence;
 - b. Maintain and/or create new jobs, especially for District residents;
 - c. Visually impact the corridor via façade improvements; and
 - d. Improve the customer experience via interior remodeling or e-commerce systems.

The application deadline is Monday, January 31, 2022 at 5:00 PM ET.
